ATTRACT GUESTS WITH EV CHARGING

We are the leading solution for holiday cottages, glamping sites, and estates

Capture a growing guest base

Don't be filtered out by an ever growing number of EV drivers who simply cannot find you if you are not accessible by EV's. Providing charging infrastructure is now as necessary as WiFi. Give your guests what they need and capture a growing base of loyal converts!

Pictured: Tapnell Farm, Isle of Wight

Why now?

- ✓ 73%+ of guests likelier to return
- ✓ 80%+ of EV drivers filter by charging facilities
- ✓ 95% of our clients saw immediate increase in bookings
- ✓ 42% of online searches for accommodation include EV charging as an amenity

What a Seven Bays Holidays owner has to say

“We are delighted to have installed a VoltShare charger at our holiday let business. It is a great asset to our business. The team at VoltShare were so helpful and supportive from first contact. Our guests have found the charger easy and reliable to use, we would definitely recommend VoltShare.
